ADDENDUM NO. 1 TO SERIES 200 REFERENCE MANUAL
EASYTRAN SYMBOLIC TRANSLATOR B AND C

EASYTRAN SYMBOLIC TRANSLATOR C

The following information applies to Appendix F of the reference manual.

Page F-7: Figure F-2 should be replaced by the following corrected figure.

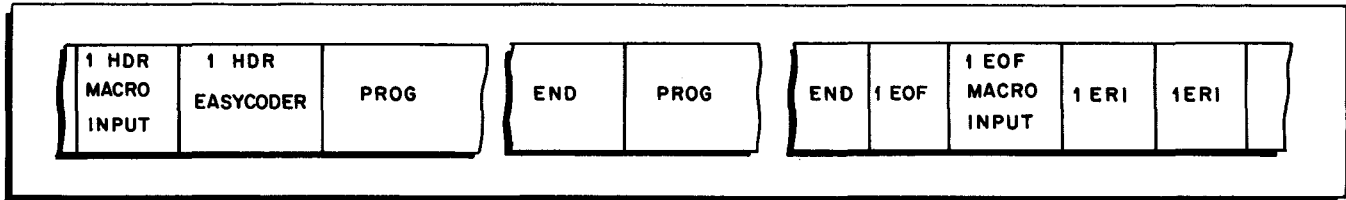

Figure F-2. Image of Tape 5

Page F-7: The paragraph entitled Tape Assignments is superseded by the following paragraph.

Tape Assignments

Tape assignments are consistent with Easytran B except for the addition of logical tape 5 as an output tape and logical tapes 6 and 7 as input tapes.

EASYTRAN PROCESSING

The following information applies to Section II of the reference manual.

Page 2-4: Figure 2-1 is superseded by the following corrected figure.
