

# HP ProLiant 100 series family of servers.

## Simply affordable.

The cost is small.  
The performance isn't.  
Now you can get robust  
functionality that's as  
affordable to own as  
it is to buy—from the  
HP ProLiant 100 series  
family of servers.

Servers you can grow with.  
Simple. Affordable. Reliable.
