

E7683A/AZ - HP PDU with UL IEC-309 60 Amp Pin and Sleeve Plug, 60 Amp, 200-240V (North America)

Technical Data

Product Number
E7683A

Supply 60 amp power to HP Rack Systems - North America

The Power Distribution Unit (PDU) supplies power to the equipment mounted in an HP Rack System/E. This 60 amp PDU is constructed for North American use with high amperage system configurations.

There are four independent 20 amp circuit breakers that each provide power to two C19 receptacles

Features

- Single phase input
- Rack mountable
- Attached 4.5m (15 foot) power cord with an IEC-309 60 amp 240v pin and sleeve connector

Specifications

Dimensions comply with 19" EIA standards.

- 60 Amps
- 200-240V
- 8 IEC320 C19 outlets
- 4.5m (15 ft) power cord
- IEC-309 60 amp plug
- 3 EIA units required

Installation

This PDU is mounted horizontally between the rear columns. All mounting hardware is included.

Tool required for installation:

- Torx T25 screwdriver

Certifications

UL
C-UL
