Description of Change to the Customer:

Dear Intel Server Board Customer:
We would like to inform you of the following change to Intel's server board product line:

Product Discontinuance Notification for Intel® Value Server Board SE7500CW2

Few customers are still purchasing this board, and some materials used to create the board are becoming obsolete. Therefore, Intel is announcing discontinuance of this product. Pertinent details of this product discontinuance notification are as follows:

This Product Discontinuance notification for Server Board SE7500CW2 allows for order placement from now to July 31, 2004 with delivery to November 30, 2004. If you are currently purchasing the Server Board SE7500CW2, please contact your authorized Intel representative and make them aware of your requirements during this time frame. All final purchase orders placed following the May 31, 2004 discontinuance notification for the listed product are non-cancelable and non-returnable.

The Server Board SE7500CW2 is succeeded by two newer DP server boards - Intel® Value Server Board SE7501CW2. Details regarding these products are available at developer.intel.com

Warranty and Support Information

This Product Discontinuance notification does not change warranty or technical support. Intel will continue to provide warranty and technical support for this server board for the duration of its applicable warranty period. If you need an equivalent product it is suggested that you order the SE7501CW2 server board.

If you have any questions or concerns, please contact your Intel representative.

Sincerely,

Intel Server Product Marketing
